CORE COMPETENCIES

Applied Behavior Analysis, Verbal and Written Communication, Microsoft Office, and Problem Solving.

WORK EXPERIENCE

East Side Union School District – San Jose, CA

Para-educator I-I

September 2021 - September 2024

- Facilitated instruction for individuals and small groups of students across various learning situations, adapting teaching strategies to meet unique needs and abilities.
- Maintained an orderly and effective learning environment, identifying and promptly addressing student behavioral issues with appropriate measures.
- Assisted in developing and implementing lesson plans and providing feedback on student progress and performance to teacher(s) and parents.

Allied Universal – San Jose, CA

Security Officer

March 2022 – April 2023

- Maintained accurate and detailed daily logs of visitors and contractors, ensuring compliance with company policies and procedures.
- Monitored the CCTV system and various building management and environmental/Hazmat monitoring alarms, ensuring prompt response to any issues or emergencies.
- Facilitated communication between members of the Emergency Response Team, ensuring effective and efficient response to emergencies.

Prime NOW LLC – San Jose, CA

Amazon Associate

May 2020 – October 2021

- Coordinated offloading of delivery trucks carrying merchandise into the warehouse, ensuring prompt processing of incoming shipments.
- Efficiently extracted and packed merchandise orders, providing timely support to delivery operations.

Club Demonstration Services – San Jose, CA

Sales Advisor

June 2019 – September 2019

- Conducted informative and engaging product demonstrations of food and non-food items to Costco club members.
- Utilized exceptional communication skills to deliver comprehensive product information and recommendations.

Trumpet Behavioral Health – San Jose, CA

Behavioral Skills Therapist

January 2017 – September 2017

- Utilized Applied Behavior Analysis principles to reinforce positive behavior and modify antecedents, resulting in improved communication, self-help, social, and play skills in children and young adults.
- Maintained detailed and accurate records of children and young adults' progress throughout sessions.
- Collaborated with Behavior Analysts and parents to communicate progress reports and develop individualized behavior plans

EDUCATION

San Jose State University, Bachelor of Arts in Humanities/Religious Studies, San Jose, California 2020
